Deeshari Touristhub Seeks Experienced Air Ticketing Executive in Kolkata

Published: 4 November 2026

Kolkata-based Deeshari Touristhub Pvt Ltd is looking to recruit an Air Ticketing Executive to handle domestic and international flight bookings, with an annual CTC of Rs. 1.8-2 lakh.

The opportunity is open to professionals with three to five years of relevant experience and strong operational knowledge of at least one major Global Distribution System (GDS), such as Amadeus, Galileo or Sabre.

The selected candidate will manage reservations, PNR creation, fare pricing and ticket issuance, alongside cancellations, refunds, reissues and date changes. The role also involves coordinating with airlines and travel partners, managing group bookings and corporate travel, and assisting passengers during schedule changes or flight disruptions.

Knowledge of international fare rules, ticket reconciliation and travel documentation will be relevant to the position. The company is seeking applicants with good communication skills, attention to detail and the ability to manage multiple bookings independently.

Deeshari Touristhub offers domestic and international tours, customised holiday packages and corporate travel services. Recruitment for the Kolkata-based position is being managed by Recruitment Mantra.
